

## ***Game Rules – MPS Scavenger Hunt***

---

### **Players**

Teams may consist of 2 or more players; however, you're encouraged to include the majority of your department or school on your team.

### **Object**

Enhance your social and emotional well-being by working as a team to earn a prize. Score the most points by deducing the location of the MPS medal and participating in optional winter wellness week activities.

### **Playing the Game**

Clues will be sent to team captains at 8:30 a.m. and 12:30 p.m. during Winter Wellness Week (Jan. 30- Feb. 3). Work as a team to uncover the secret location of the MPS winter wellness medal. Each team is allowed one guess TOTAL. The quicker you uncover the location, the more points you'll win. If you guess too soon and don't get it right, you will not have the opportunity to guess again. Additional activities are available for bonus points. Verify completion by sharing a photo using #MPSWinterwellness on Facebook or Twitter or by sending photos to [wellness@mpls.k12.mn.us](mailto:wellness@mpls.k12.mn.us).

## **Making a guess**

Once your team has deduced the location of the medal, your team captain can submit your team's official guess by sending an e-mail to [wellness@mpls.k12.mn.us](mailto:wellness@mpls.k12.mn.us). It is important that you do this as expediently as possible since all answers will be time-stamped. In the event of a tie, the quickest correct response wins. Remember, you only get one guess!

## **Prizes**

The wellness program will honor the school or department with the best score on the scavenger hunt with a monetary wellness reward. Individual employees on the top three teams will each receive 150 Vitality points for their participation.

## **Questions**

All questions should be directed to the wellness program at 612-668-0520 or [wellness@mpls.k12.mn](mailto:wellness@mpls.k12.mn). Check out the FAQ section for additional help.
