

## **Fresh Fruit & Vegetable Program Classroom Expectations & Reminders 2019-2020 School Year**

- FFVP operates Tuesday-Friday. FFVP snacks will NOT be served on Mondays.
- Classrooms receive a printed FFVP menu/newsletter when they pick up FFVP snacks at the start of each month. FFVP menus and newsletters are also available on the MPS FFVP [webpage](#).
- Sani-wipes and napkins are available for FFVP classroom clean-up from the CWS Lunchroom Coordinator.
- FFVP snacks must be offered to every student in every classroom. FFVP snacks may not be withheld from students for disciplinary or other reasons. Each classroom must pick up their FFVP snacks from the cafeteria every day that FFVP is served.
- Classrooms will receive enough snacks for each student, plus one teacher snack. Snacks for additional teachers/staff cannot be provided. If enrollment changes for your classroom, please contact your CWS Lunchroom Coordinator.
- FFVP snacks are to be eaten during class time. FFVP snacks cannot be served with lunch, sent home with students, or eaten afterschool.
- Leftover snacks may be distributed as “seconds” to students in the classroom and then returned to your cafeteria’s share table that follows health department requirements. *Students and staff cannot take leftover FFVP snacks home.*
- Please consider taking a few minutes during FFVP snack time to promote healthy and adventurous eating habits, encourage students to think critically about food, and learn together about the fruits or vegetables that you’re eating. FFVP educational resources can be found on the MPS FFVP [webpage](#).
